METAL ROOFING PROFILE GUIDE

**HIDDEN SCREWS**

GULFLOK™

An integrated screw flange makes this clipless, snap-lock system perfect for residential and light commercial applications.

**EXPOSED SCREWS**

GULFRIB™

Durability, strength and ease of installation make this exposed fastener panel a top choice for many residential and agricultural applications.

GULFSEAM™

A bold, 1/4" rib offers architectural distinction on this snap-lock system.

MEGALOC® & VERSALOC™

These mechanically seamed panels offer 1 1/2" & 2" ribs and are ideal for commercial applications.

GULFPBR™

Strength and durability make this exposed fastener panel a top choice for many commercial and residential applications.

EAVESPAN SOFFIT

Designed to match commercial specifications, this sleek panel is available in smooth or perforated options.

GULFWAVE™

Ride the wave of architectural distinction with this 3/4" high rolling rib exposed fastener panel.
