AZ50 PAINTED STEEL 35/30-YEAR LIMITED WARRANTY

Gulf Coast Supply & Manufacturing, LLC (GULF COAST) is pleased to offer this thirty-five (35) year limited warranty to the herein identified customer (CUSTOMER) concerning sales of Kynar 500® or Hylar 5000® (COATING) coated AZ50 steel or aluminum roofing and siding panels (PRODUCT) installed in the Continental United States.

SECTION A: WHAT IS COVERED BY THIS LIMITED WARRANTY?

- Subject to the provisions contained herein, GULF COAST warrants that for **thirty-five (35) years** from installation, COATING will not chip, crack, peel, flake or check (except for such slight crazing or cracking as may occur on tightly roll-formed edges or break bends at the time of roll forming or other fabrication of pre-painted sheet or coil and which is accepted in the industry as standard).
- Subject to the provisions contained herein, GULF COAST warrants that for **thirty (30) years** from installation, when installed vertically or not more than eighty-six degrees (86°) from the vertical, the COATING will not chalk in excess of ASTM D-4214-89 method 0659 number eight (8) rating, or change color more than Five (5.0) Hunter BE units as determined by ASTM method 0-2244-2. Color change will be measured on an exposed painted surface that has been cleaned of surface soils and chalk, and the corresponding values measured on the original or unexposed surface.
 - Due to pigment limitations, Regal Red, Matte Black, and US Antique Black are covered by a number eight (8) rating for chalk and five (5) Hunter BE units for fade for a period of ten (10) years from installation. Copper and other metallic colors have no rating available for color change.
 - This Warranty applies solely to GULF COAST "inventoried stock"
