OXFORD SHINGLE

Beautiful. Durable. For Life.

A LIFETIME OF INSPIRATION

There's not much left in the world that can boast a lifetime of beauty, strength, and energy efficiency like Oxford Shingle.

The investment-grade aluminum is combined with advanced paint systems and exclusive HI-R® Heat Barrier Coating to reduce your home's carbon footprint. Homeowners can save up to 25% on their energy bills with Oxford Shingle. An Oxford roof works hard so your climate control system works easier. In the end, your home uses less energy which keeps your costs down and reduces the strain on our nation's energy consumption.

Green American Home places 35+ years of experience, innovation, and commitment behind every roof. Every shingle is backed with a Lifetime/40 Year Transferable Limited Warranty. The Oxford Shingle warranty will protect your home for as long as you own it and new homeowners for up to 40 years from the point of installation.

VISUALLY CAPTIVATING. AGGRESSIVELY PROTECTIVE. PASSIONATELY DESIGNED.

Oxford Shingle is in a class by itself. It gives your home the beauty, durability, energy efficiency, and innovative design that no other roofing material can live up to. Oxford Shingle is designed for peak performance using only first quality aluminum, 21st century coatings, and passionate design to protect and enhance the beauty of your home.

COMMITMENT TO GREEN

Green American Home is deeply committed to the stewardship of our natural resources and the environment.

- » Reuse and recycle – Oxford Shingle is made from 95% post-consumer recycled aluminum. It is 100% recyclable.
- » Energy-efficient – Oxford Shingle's technologically advanced Kynar 500® or Hylar 5000® coatings – featuring our exclusive HI-R® Heat Barrier technology – help reduce energy costs by up to 25% and reduce attic heat gain by up to 34%.
- » Save for the future – Oxford Shingle can, in most cases, be installed over existing roofing materials, saving the earth from being filled with used temporary roofing.

SLATE ROCK — OXFORD —

To meet the needs of homeowners who want an authentic slate appearance for their roofs, we are pleased to introduce the Slate Rock version of Oxford Shingle. This unique product combines Oxford Shingle's proven integrity with the colors and textures of high-end slate roofing.

With a focus on refined beauty, color variation, and texturing, Slate Rock offers homeowners a look that could never before be achieved in metal roofing.

Slate Rock's proprietary four-layer PVDF coating from Valspar is applied in a high definition print process that enhances Oxford Shingle's three-dimensional detail. The result is stately elegance and beauty that enhances all styles of residential architecture.

Slate Rock Oxford Shingle is truly the latest development in residential metal roofing technology, far ahead of competing products. And, it comes with our fully transferable and non pro-rated Lifetime / 40-Year Limited Warranty.

Designed to the highest standards of quality and performance, Slate Rock Oxford will increase your home's beauty, value, and protection. Available in four natural slate shades.
